**SUSTAINABLE
DEVELOPMENT GOALS**

SUSTAINABLE DEVELOPMENT GOALS:

- INTRO -

With the universal adoption of the Sustainable Development Goals (SDGs) by the United Nations in 2015, organizations around the world are identifying opportunities to advance them to put society on a secure footing by 2030.

While there are many opportunities to approach this as a philanthropic undertaking, it is also important – if not more important – to consider how the achievement, or under-achievement, of the SDGs will affect corporate strategy and future performance.

SUSTAINABLE DEVELOPMENT GOALS:

- THE ROLE OF PETRAMUNDI -

One of the main characteristics of the 2030 Agenda is its multiactor nature. The public sector and organizations are key agents for the achievement of the Sustainable Development Goals. But companies also have an important role. We are all part of the solution.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Petramundi works closely with associations like Mani Intelligenti, Confindustria and the regional public administration to build a new learning opportunity in the jewellery supply chain sector. The purpose of this organizations is to promote employment in jewelry making by creating a new curriculum that will open up new work opportunities for younger generations.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Achieve gender equality and empower all women and girls

Petramundi's policy requires that the wages of its employees depend solely on the level of skill and dedication they put into the work and is never influenced by gender. Also, Petramundi is a child friendly environment where our employees can bring their kids in moment of need.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Petramundi is experiencing strong company growth, doubling in recent semesters the number of its employees. The company is working to control this growth in terms of sustainability and inclusivity. Petramundi's policies in this regard are leading to more inclusive recruitment, including disabled workers and the promotion of a multicultural environment. Petramundi prohibits the use of child labour at every step of the supply chain, strictly evaluating and auditing its commercial partners and suppliers.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Employment in the manufacturing sector is most likely to be adversely affected by the crisis. Moreover, because of the conservative behavior of older generations, who kept their experience to themselves the goldsmith art of Valenza will be extinguished. Manufacturing arts like gem cutting and setting or specific goldsmith techniques are now an “endangered know how”. Responding to the inefficiency of the allocation of human resources on the Italian labour market Petramundi has engaged with various associations to help the jewelry industry grow and become more attractive to the young generations.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Take urgent action to
combat climate change
and its impacts

Petramundi will cancel its carbon footprint. Our climate change policy aims to achieve a carbon footprint of less than zero within the next five years. Petramundi's new factory is currently under construction: a historic building subject to a restoration plan that makes renewable energy the first pillar. At the same time, our commitment to climate action is reflected in sustainable consumption and production.

SUSTAINABLE DEVELOPMENT GOALS:

- Our impact -

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Every day 100 civilians are killed in armed conflicts. As a gemstone industry, Petramundi is likely to have an impact by buying from suppliers who directly or indirectly finance non-governmental armed organizations. To manage this risk, petramundi will never have commercial relations with companies or buy assets from Conflict Affected High Risk Areas. Every supplier will be checked and legally checked in accordance with the KYC procedure. Furthermore, every supplier will sign and comply with the petramundi code of conduct.
